## ARTICLE 2

### PROPERTY SUBJECT TO MASTER DECLARATION

Section 2.1. Property Subject to this Master Declaration. From and after the time that this Master Declaration is recorded in the Public Records of Orange County, Florida, the Property shall be subject to the terms and conditions of this Master Declaration. The Property shall be held, sold and conveyed subject to the easements, restrictions, covenants and conditions contained in this Master Declaration, which shall run with the land and be binding on all parties having any right, title or interest in the Property or any part thereof, their heirs, successors or assigns and shall inure to the benefit of each owner thereof.

#### Section 2.2. Annexation.

2.2.1. Within the period beginning with the date this Master Declaration is recorded in the Public Records of Orange County, Florida and ending either (a) seven (7) years thereafter, or (b) five (5) years from the date of recording of the last recorded Supplemental Declaration annexing additional land to this Master Declaration, whichever event, (a) or (b), occurs later, the Declarant may, without the consent or joinder of the Owners or any other person or entity, annex additional real property (including Common Property) within the Undeveloped Parcel to the Properties. Annexations under this Subsection 2.2.1 shall be accomplished by filing a Supplemental Declaration describing the real property to be annexed (or withdrawn pursuant to Section 2.3 of this Article 2, as the case may be), and shall become effective when such Supplemental Declaration is filed among the Public Records of Orange County, Florida, unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other person or entity the right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transferee or assignee shall be the developer of at least a portion of the Properties and that such transfer is memorialized in a written, recorded instrument executed by the Declarant.

2.2.2. Subject to the consent of the owner thereof, the Master Association may annex real property, other than property within the Undeveloped Parcel, to the

provisions of this Master Declaration and the jurisdiction of the Master Association. Such annexation shall require the affirmative vote of Voting Members representing two-thirds (2/3) of the votes of each class of Members of the Master Association. The annexation of land under this Subsection 2.2.2 shall be accomplished by the recordation in the Public Records of Orange County, Florida, of a Supplemental Declaration describing the property being annexed and signed by the President and Secretary of the Master Association and by the owner of the property being annexed. Any such annexation shall be effective upon filing unless otherwise provided therein.

2.2.3. No provision of this Master Declaration shall be construed to require Declarant or any other person or entity to annex any real property to this Master Declaration. Further, the Declarant is not obligated to bring all or any part of the remaining real estate in the Undeveloped Parcel into the Master Association.

2.2.4. The Declarant intends to develop the Properties and its adjoining lands in accordance with the Master Plan, but hereby reserves the right to modify the Master Plan (with respect to the Properties and other lands included in the Master Plan) from time to time in its sole discretion and at its option but always in accordance with applicable regulatory requirements. The Declarant shall not be required to follow any predetermined order of improvement and development within the Master Plan or Properties; and it may annex additional lands and develop them before completing the development of the Properties.

2.2.5. Covenants and restrictions applicable to annexations to the Properties shall be compatible with, but need not be identical to, the covenants and restrictions set forth in this Master Declaration.

2.2.6. In the event that either the Federal Housing Administration or the Department of Veterans Affairs insures or guarantees any mortgage encumbering a Lot, and the regulations or procedures of such agency require under such circumstances approval of annexations by such agency or determination by such agency that such annexation is consistent with the general plan of development for the Waterford Chase Village, then such approval or determination as described in Article 13 shall be a prerequisite to such annexation.

Section 2.3. Withdrawal. Within the period beginning with the date this Master Declaration is recorded in the Public Records of Orange County, Florida and ending either (a) seven (7) years thereafter, or (b) five (5) years from the date of recording of the last

recorded Supplemental Declaration annexing additional land to this Master Declaration, whichever event (a) or (b) occurs later, the Declarant may, without the consent or joinder of the Owners or any other person or entity, the Declarant may, when necessary or desirable to accommodate changes in the Master Plan, withdraw from the provisions of this Master Declaration any of the Property that continues to be owned by the Declarant, and its successors or assigns, and which has not been dedicated or designated as Common Property or an Exclusive Common Area. Withdrawals under this Section 2.3 shall be accomplished by filing a Supplemental Declaration describing the real property to be withdrawn and shall become effective when such Supplemental Declaration has been recorded in the Public Records of Orange County, Florida, unless otherwise provided therein.

Section 2.4. Conveyance of Common Areas to the Master Association and/or Village Association. When Declarant conveys title to the first Unit within each Village to be conveyed to a Class "A" Member, the Declarant shall be obligated to convey title to all of the Common Areas located in such Village to the Master Association or to the Village Association which shall be obligated to accept such conveyance pursuant to Article 10.

### ARTICLE 3

#### CREATION OF ASSOCIATION; MEMBERSHIP AND VOTING RIGHTS

Section 3.1. Creation of Association. Upon execution of this Master Declaration, Declarant shall cause the Association to be created by recording the Articles of Incorporation and Bylaws thereof with the Secretary of State of Florida in the forms attached hereto as Exhibits "E" and "F", respectively, and incorporated herein by reference.

Section 3.2. Membership. Every Owner of a Unit or Lot, and every Builder owning any Unit or Lot, by virtue of the ownership of such Unit or Lot, and the Declarant and its successors and assigns, shall be Members of the Association, and by acceptance of a deed or other instrument evidencing an ownership interest, each Owner, Builder and Declarant accepts membership in the Association, acknowledges the authority of the Association as herein stated, and agrees to abide by and be bound by the provisions of this Declaration, the Articles of Incorporation, the Bylaws and other rules and regulations of the Association. The term "Member" shall include each person or entity owning any right, title or interest in any Unit or Lot, except persons or entities holding mortgages or other security or trust interests unless such persons or entities also have the right of possession. Tenants or others occupying any Unit who do not have an ownership interest therein shall not be Members

for the purposes of this Master Declaration. Membership in the Association is appurtenant to, and may not be severed from, the Unit or Lot. The rights and obligations of a Member may not be assigned or delegated except as provided in this Master Declaration, the Articles of Incorporation or Bylaws of the Association, and shall automatically pass to the successor-in-interest of any Owner upon conveyance of such Owner's interest in the Lot or Unit. Members shall be responsible for compliance with the terms and conditions of this Master Declaration, the Articles of Incorporation and Bylaws, and rules and regulations of the Association by all occupants, tenants, guests, invitees and family members while residing in or visiting any Unit, Common Area or other portion of the Property.

Section 3.3. Villages; Village Associations; and Voting Rights.

3.3.1. The Property will be developed in stages or phases that will be designated as separate Villages for the purposes of the Association. Each Lot or Unit subject to this Master Declaration will be situated within a Village. Each Village will contain Lots or Units sharing common facilities and having similar interests. Each Village will be subject to this Master Declaration, and will also be subject to a separate Village Declaration that will, among other things, create a separate Village Association which will be governed by its own separate Articles of Incorporation and Bylaws pursuant to Article 7. The Owner of each Lot or Unit will be a member of a Village Association as well as a Member of this Master Association. The Village Associations will be subordinate to this Master Association and will be responsible for performing the services and obligations imposed on them by this Master Association pursuant to the governing documents.

3.3.2. Each Village Association shall exercise the voting rights herein established on behalf of all Members whose Units or Lots are within the jurisdiction of such Village Association. On all matters requiring the votes of Members as may be described in this Master Declaration, or in the Articles of Incorporation or Bylaws, such votes shall be conducted by the Village Associations. The result of the vote shall be reported to the Master Association by the Village Representative of the Village Association and the total number of votes of each class of membership attributed to the Village Association shall be cast accordingly. Members shall not have the right to cast votes directly with the Master Association, and shall be bound by the outcome of the voting conducted by the Village Associations.

3.3.3. Members of the Master Association shall be allocated votes as follows:

Class A. Class A Members shall be all Owners with the exception of the Declarant and any Builders. Each Class "A" Member shall be entitled to one vote for each Lot or Unit owned.

Class B. The Class B Member shall be the Declarant, or its specifically designated (in writing) successor. The Class B Member shall be allocated three (3) votes for each Lot or Unit owned by it within the Property which is subject to assessment by this Master Association; provided, that the Class B membership shall cease and become converted to Class A membership as set forth in Section 3.5 of this Article 3. Upon conversion to Class A membership, the Declarant shall have one vote for each Unit or Lot owned by it within the Property so long as said Unit or Lot is subject to assessment by this Master Association.

Class C. All Builders, as defined herein, shall be Class C Members. Class C Members shall have one (1) vote for each Lot or Unit they own in the Property.

3.3.4. When any Unit or Lot is owned of record in the name of two or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants in partnership, or in any other manner of joint or common ownership, or if two or more persons or entities have the same fiduciary relationship respecting the same property, then unless the instrument or order appointing them or creating the tenancy otherwise directs and it or a copy thereof is filed with the secretary of the Village Association, such Owner shall select one official representative to qualify for voting in the Village Association and shall notify in writing the Secretary of the Village Association of the name of such individual. The vote allocated to any Unit or Lot (including Units or Lots owned by the Declarant or a Builder) may not be divided or cast in any fraction, and the vote of each official representative shall be considered to represent the will of all the Owners of that Lot or Unit. If the Owners fail to designate their official representative, then the Village Association may accept the person asserting the right to vote as the voting Owner until notified to the contrary by the other Owner(s). Upon such notification no affected Owner may vote until the Owner(s) appoint their official representative pursuant to this paragraph.

#### Section 3.4. Change of Membership.

3.4.1. Change of membership in the Master Association shall be established by recording in the Public Records of Orange County, Florida, a deed or other instrument conveying record fee title to any Lot or Unit, and by the delivery to the Master Association,

and to the Village Association, of a copy of such recorded instrument. The Owner designated by such instrument shall, by acceptance of such instrument, become a Member of the Master Association and of the Village Association, and the membership of the prior Owner shall be terminated. In the event that a copy of said instrument is not delivered to the Master Association and to the Village Association, said Owner shall become a Member, but shall not be entitled to voting privileges until delivery of a copy of the conveyance instrument to the Master Association and the Village Association. The foregoing shall not, however, limit the Master Association's powers or privileges and the new Owner shall be liable for accrued and unpaid fees and assessments attributable to the Lot or Unit acquired.

3.4.2. The interest, if any, of a Member in the funds and assets of the Master Association shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to the Owner's real property. Membership in the Master Association by all Owners shall be compulsory and shall continue, as to each Owner, until such time as such Owner of record transfers or conveys his interest in the real property upon which his membership is based or until said interest is transferred or conveyed by operation of law, at which time the membership shall automatically be conferred upon the transferee. Membership shall be appurtenant to, run with, and shall not be separated from the real property interest upon which membership is based.

### Section 3.5. Class B Membership Status.

3.5.1. The Declarant's Class B membership status shall continue, and shall be in effect, during the period from the inception of this Master Declaration until either (1) seven (7) years from the date this Master Declaration is recorded; or (2) five (5) years after the date of recording of the last Supplemental Declaration annexing additional property into this Master Association, whichever event, (1) or (2) occurs later; or (3) upon recording of a voluntary written notice executed by the Declarant or its duly authorized successor or assignee electing to convert its Class B status to Class A; or (4) in any event, one hundred twenty (120) days after the conveyance of the Unit to a Class A Member that causes the total number of votes held by all Class A Members of this Master Association to equal the number of votes in all Villages held by the Class B Member, whichever event, (1), (2), (3) or (4), occurs first; provided however, that if Class B status is converted to Class A pursuant to clause (4) and, subsequent to such event, the Declarant annexes an additional Village to the Association or annexes additional Lots to an existing Village which annexation causes the number of Lots or Units owned by the Declarant in all Villages to exceed twenty-five percent (25%) of the total number of Lots and Units within all Villages, Declarant's Class B status shall be restored as to all Lots and Units then owned by

Declarant, and shall continue until the next occurrence of an event of conversion described above. For the purposes of this Master Declaration, all Lots and Units owned by the Declarant in all Villages shall be included in the determination of Class B status even if Declarant owns fewer than twenty-five percent (25%) of the Lots or Units within any particular Village. The rights, privileges and obligations of Class B status shall prevail within all Village Associations as long as Declarant shall be a Class B Member of this Master Association, even if Declarant owns only one Lot or Unit within such Village Association.

3.5.2. The Declarant shall have the right to partially assign its status as Declarant and Class B Member, by recorded instrument executed by the original Declarant and acknowledged and accepted by the assignee Declarant, to any person or entity acquiring any portion of the Property, or the adjacent land eligible for annexation into the Property, for the purpose of development of a residential subdivision consistent with the Master Plan, and any such assignee shall thereafter be deemed to be the Declarant as to the Lots or Units owned by such person or entity, and shall have the right to exercise all of the rights and powers of the Declarant as to such Lots and Units, while, at the same time, the original Declarant shall continue to exercise the rights and powers of the Declarant as to all Lots and Units owned by such original Declarant. If any action of the Master Association, or any Village Association requires the approval, consent or vote of the Declarant, and the original Declarant has partially assigned its rights as Declarant to others pursuant to this paragraph, the consent or vote of all such Declarants shall be required to satisfy the requirement of consent by the Declarant.

However, neither the Master Association, nor the Declarant shall be obligated to provide any security measures to the Properties nor shall they be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners, tenants, guests, and invitees of any Owner, as applicable, acknowledge that the Master Association, the Declarant, and any Village Associations established by any of the foregoing entities, are not insurers and that each Owner, tenant, guest, and invitee assumes all risk of loss or damage to persons, to Units and to the contents of Units and further acknowledge that Declarant has made no representations or warranties, nor has any Owner, tenant, guest, or invitee relied upon any representations or warranties, express or implied, including any warranty of merchantability or fitness for any particular purpose relative to any security measures recommended or undertaken.

4.3.13. Upon resolution of the Board, each Village Association shall be responsible for paying, through Village Assessments, costs of maintenance of Exclusive Common Areas associated with such Village Association as well as certain portions of the Common Property within or adjacent to such Village Association, which may include, without limitation, buildings and amenities within the Village Association, the costs of maintenance of any right-of-way and greenspace between the Village Association, regardless of ownership and regardless of the fact that such maintenance may be performed by the Master Association. Any Village Association having responsibility for maintenance of all or a portion of the property within a particular Village Association pursuant to a Village Declaration shall perform such maintenance responsibility in a manner consistent with such Village Declaration. If any such Village Association fails to perform its maintenance responsibility as required herein and in any Village Declaration, the Master Association may perform it and assess the costs against all Units within such Village Association as provided in Article 6, Section 6.7.

4.3.14. The Master Association may also provide exterior maintenance upon any Unit or upon any structure containing Units which, in the reasonable opinion of the Board of Directors of the Master Association, requires such maintenance because said Unit or structure is being maintained in a manner inconsistent with the overall appearance and standards prevailing within the Master Association. The Master Association shall notify the Owner of said Unit or structure in writing, specifying the nature of the condition to be corrected, and if the Owner has not corrected the condition within fifteen (15) days after date of said notice, the Master Association (after approval of a majority of the Board) may correct such condition. Said maintenance shall include but not be limited to painting, repairs, replacement and maintenance of roofs, gutters, down spouts, exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements. The cost of such maintenance shall be assessed against the Unit upon which such maintenance is performed as a Special Assessment as provided in Article 6, Section 6.7.

4.3.15. Establish use fees and promulgate rules and regulations respecting the use of Common Property and Master Association facilities by Members and persons other than Members.

The functions and services allowed in this Section to be carried out or offered by the Master Association at any particular time shall be determined by the Board taking into consideration proceeds of assessments and the needs of the Members of the Master Association. The functions and services which the Master Association is authorized to carry out or to provide, may be added to or reduced at any time upon the affirmative vote of a majority of the Board; provided, however, the Board may not vote to reduce or abrogate the Master Association's responsibility to maintain Areas of Common Responsibility. The Master Association may provide the permitted services by contract with third parties, including agreements with applicable governmental agencies.

Section 4.4. Mortgage and Pledge. The Board shall have the power and authority (subject to the provisions of Article 5, Subsection 5.9.5 hereof) to mortgage the property of the Master Association and to pledge the revenues of the Master Association as security for loans made to the Master Association which loans shall be used by the Master Association in performing its functions.

Section 4.5. Conveyance to Master Association. The Master Association shall be obligated to accept any and all conveyances to it by Declarant of fee simple title, easements or leases to Open Space, Parks, Lakes, Recreation Parcels, Surface Water and Storm Water Management Systems or Common Property as set forth in Article 10.

Section 4.7. Contracts with Another Master Association. The Master Association is authorized to enter into any contracts or easement arrangements with another master association that may subsequently be formed for portions of the Waterford Chase Village property that are not annexed hereto and made subject to this Master Declaration provided that such contracts or easements are necessary or beneficial for the operation of the Master Association or the maintenance of the Properties; provided that the costs or expenses of operating, performing, or maintaining such contracts or easements shall be allocated between this Master Association and such other master association in accordance with the cost incurred or benefit received by each association. Any such contracts or easements shall be approved by the vote or written consent of a majority of the Board of the Master Association.

### EASEMENTS

Section 5.1. Owners' Easements of Access and Enjoyment. Subject to the provisions below, every Owner shall have a right to use and an easement of enjoyment in and to the Common Areas (other than Exclusive Common Areas whose use may be restricted to Owners of particular Village Units by rule or regulation adopted by the Village Association having the responsibility for such Exclusive Common Areas), together with an easement of access to and from the Common Areas (other than Exclusive Common Areas which are so restricted) which shall be appurtenant to and shall pass with the title to the Lot or Unit owned by such Owner, subject to the following:

5.1.1. The right of the Master Association to take such steps as are reasonably necessary to protect the Common Areas against foreclosure;

5.1.2. All provisions of the Master Declaration and the Articles and Bylaws of the Master Association;

5.1.3. Rules and regulations governing the use and enjoyment of the Common Areas adopted by the Master Association; provided, however, that the Master Association may not restrict the persons described in Section 5.4 of this Article from the reasonable use of the Common Areas in connection with the construction and sale of Units and other improvements upon the Property.

5.1.4. Restrictions contained on any and all plats of all or any part of the Common Areas or filed separately with respect to all or any part or parts of the Common Areas.

5.1.5. The additional restrictions set forth in Section 5.9 of this Article 5.

Section 5.2. Delegation of Use. Any Owner may delegate, in accordance with the appropriate Bylaws, his right of ingress and egress over and across the Common Areas and right of use and enjoyment of the Common Areas to his guests, invitees and family members, and to tenants and contract purchasers of his Unit, and their respective guests, invitees and family members.

Section 5.3. Utility Easements. The Declarant reserves to itself (and its successors or assigns) for so long as Declarant owns any of the Properties, and the Master Association thereafter, the right to grant easements to any private company, public or private utility or governmental authority providing utility and other services within the Properties and the Common Property upon, over, under and across the Properties. Said easements shall only be given for the purpose of maintaining, installing, repairing, altering and operating sewer lines, irrigation lines, water lines, waterworks, sewer works, force mains, lift stations, water mains, sewer mains, water distribution systems, sewage disposal systems, effluent disposal lines and systems, pipes, wires, fiber optics lines, power lines, telephone service, gas lines, syphons, valves, gates, storm sewers, pipelines, cable television service, alarm systems and all machinery and apparatus appurtenant thereto to all of the foregoing as may be necessary or desirable for the installation and maintenance of utilities and providing services to Owners, the Properties and Common Property. All such easements to be of a size, width and location as Declarant, or the Master Association, in its discretion, deems best but selected in a location so as to not unreasonably interfere with the use of any improvements which are now, or will be, located upon the Properties. The Owners of Lots encumbered by easements granted or reserved by the Master Association for underground storm sewer pipes, catch basins or other drainage structures or improvements shall be responsible for maintaining the surface of the Lots above such easements, and the Master

Association shall maintain, repair and replace the underground structures and improvements within such easements as a Common Expense.

Section 5.4. Declarant Easements. Declarant hereby reserves to itself, its successors and assigns, and to such other persons as Declarant may from time to time designate in writing, a perpetual easement, privilege and right in and to, over, under, on and across the Common Property for ingress and egress as required by its officers, directors, employees, agents, independent contractors, invitees and designees; provided, however, that such access and use does not unnecessarily interfere with the reasonable use and enjoyment of these properties and facilities by the Owners. Declarant reserves the right to impose further restrictions and to grant or dedicate additional easements and rights-of-way on any of the Properties owned by Declarant. The easements granted by Declarant shall not structurally weaken any improvements or unreasonably interfere with enjoyment of the Properties.

Section 5.5. Easement to Public Rights-of-Way. Notwithstanding anything to the contrary set forth in this Master Declaration, to the extent necessary, each Owner shall have an easement for access to and from his Unit to a public right-of-way over any paved common driveway. Declarant has an absolute obligation to construct all portions of any common driveway necessary to afford all Owners such access.

Section 5.6. Service Easements. Declarant hereby grants to delivery, pickup and fire protection services, police and other authorities of the law, United States mail carriers, representatives of electrical, telephone, cable television and other utilities servicing the Properties, and to such other persons as Declarant from time to time may designate, the nonexclusive, perpetual right of ingress and egress over and across the Common Property for the purposes of performing their services and investigations.

Section 5.7. Drainage Easements. Drainage flow shall not be obstructed or diverted from drainage easements. The Master Association may, but shall not be required to, cut drainways for surface water wherever and whenever such action may appear to the Board of the Master Association to be necessary to maintain reasonable standards of health, safety and appearance. These easements include the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other action reasonably necessary to install utilities and to maintain reasonable standards of health and appearance but shall not include the right to disturb any improvements erected within the Properties that are not located within the specific easement area designated on the plat or in this Master Declaration. Except as provided herein, existing drainage and drainage channels (or areas

reserved for such purposes) shall not be altered so as to divert the flow of water onto adjacent parcels or into sanitary sewer lines. Once established by the Declarant, the Master Association shall have the sole control over elevations and slopes within drainage easements and no Owner or Village Association may alter any such elevations except upon written consent of the Master Association.

Section 5.8. Right of Entry. The Master Association shall have the right, but not the obligation, to enter any Unit for emergency, security, and safety, which right may be exercised by the Board, officers, agents, employees, managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Master Association to enter a Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition upon request by the Board.

Section 5.9. Extent of Easements. The rights and easements of enjoyment created in this Article 5 shall be subject to the following:

5.9.1. The right of Declarant or the Master Association, in accordance with its Bylaws, to borrow money from any lender for the purpose of improving and/or maintaining the Parks, Lakes, Recreation Parcels, Surface Water and Storm Water Management Systems and Master Common Property and providing services authorized herein and, in aid thereof, to mortgage said properties.

5.9.2. The right of the Master Association to suspend the rights and easements of enjoyment of any Member or any tenant of any Member for any period during which any assessment remains unpaid, and for any period, not to exceed sixty (60) days, for any infraction of its published rules and regulation, it being understood that any suspension for either non-payment of any assessment or breach of any rules and regulations of the Master Association shall not constitute a waiver or discharge of the Member's obligation to pay the assessment. Notwithstanding the foregoing, no such suspension shall be imposed in violation of applicable laws.

5.9.3. The right of the Master Association to charge reasonable admission and other fees for the use of any recreational facility that may be situated on or in the Parks, Lakes, Recreation Parcel, and Master Common Property.

5.9.4. The right and authority of the Board to place (and remove) after notice any reasonable restrictions upon any roadways owned by the Master Association including, but not limited to, the maximum and minimum speeds of vehicles using said roads, all other necessary traffic and parking regulations, and the maximum noise levels of vehicles using said roads. The fact that such restrictions on the use of such roads shall be more restrictive than the laws of any state or local government having jurisdiction over the Property shall not make such restrictions unreasonable.

5.9.5. The right of the Master Association to give, dedicate, mortgage or sell all or any part of the Master Common Property (including leasehold interests therein) to any public agency, authority, or utility or private concern for such purposes and subject to such conditions as may be determined by the Master Association; provided that no such gift or sale or determination of such purposes or conditions shall be effective unless the same shall be authorized pursuant to Article 13, Section 13.2 of this Declaration. The Master Association shall establish the time period within which the Village Associations shall conduct the required voting, and the Village Associations shall deliver the written notice required by Section 13.2. A true copy of such resolution together with a certificate of the results of the vote taken thereon shall be made and acknowledged by the President or Vice-President and Secretary or Assistant Secretary of the Master Association, and such certificate shall be annexed to any instrument of dedication or transfer affecting the Common Property, prior to the recording thereof. Such certificate shall be conclusive evidence of authorization by the Members.

Section 5.10. Discharge into Water Bodies. Nothing other than storm water or irrigation waters may be discharged into any lake, canal, or other body of water located within or adjacent to the Properties. The construction and/or installation of any device through which water is drawn shall be subject to the prior written approval of the ARC-M as hereinbelow established in Article 8 of this Declaration. Irrigation water may not be withdrawn from any body of water within the Properties or the ground without the consent of the Master Association, which consent may be withheld in the sole discretion of the Master Association.

## ARTICLE 6

### ASSESSMENTS

Section 6.1. Creation of the Lien and Personal Obligations of Assessments.

Declarant covenants, and each Owner of any Lot or Unit shall by acceptance of a deed therefor, regardless of whether it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to all the terms and provisions of this Master Declaration and to pay the Master Association: (1) Annual Assessments and (2) Special Assessments, all fixed, established and collected from time to time as hereinafter provided. The Annual and Special Assessments, together with such interest thereon and costs of collection provided herein shall be a charge and continuing lien as provided herein on the real property and improvements of the Owner against whom each such assessment is made. Each such assessment, together with such interest thereon and cost of collection, shall also be the personal obligation of the person who is the Owner of such real property at the time when the assessment first becomes due and payable. In the case of co-ownership of a Unit or Lot, all of such co-owners shall be jointly and severally liable for the entire amount of the assessment.

The liability for assessments may not be avoided by waiver of the use or enjoyment of any Master Common Property or by the abandonment of the property against which the assessment was made. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Master Association or Board to take some action or perform some function required to be taken or performed by the Master Association or Board under this Master Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Master Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

Section 6.2. Purpose of Annual Assessments. The Annual Assessments levied by the Master Association may be used for the improvement, maintenance, enhancement and operation of the Area of Common Responsibility, Parks, Lakes, Surface Water and Storm Water Management Systems, Common Property and Public Areas located in, on or about the Property to the extent that deterioration of the Public Areas would adversely affect the appearance of the Property or the operation of systems appurtenant to the Property, and further to provide services which the Master Association is authorized or required to provide by contract or otherwise, including, but not limited to, the payment of taxes and insurance thereon, construction, repair or replacement of improvements, payment of the costs to acquire labor, equipment, materials, management and supervision necessary to carry out its authorized functions, and for the payment of principal, interest and any other

charges connected with loans made to or assumed by the Master Association for the purpose of enabling the Master Association to perform its authorized or required functions.

Section 6.3. Duty of the Board. It shall be the duty of the Board, at least thirty (30) days in advance of each fiscal year of the Master Association, to establish the annual budget and to fix the amount of the Annual Assessment against each Lot or Unit for the coming fiscal year, and to prepare a roster of the Lots and Units and assessments applicable thereto which shall be kept in the office of the Master Association and shall be open to inspection by the Owner. Failure to fix the amount of the Annual Assessment within the time period set forth above will not preclude the Board from fixing the Annual Assessment at a later date. In the event the Board fails for any reason to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year, and the Annual Assessment for the immediately preceding year shall continue for the current year. Written notice of the Annual Assessment shall be sent to every Owner subject thereto not later than seven (7) days after fixing the date of commencement thereof.

Section 6.4. Rate of Assessment. Annual Assessments shall be established by dividing the total Common Expenses of the Master Association by the total number of Lots or Units subject to assessment to derive a uniform base assessment amount applicable to all Lots. Thereafter the actual assessment applicable to Lots within a Village shall be adjusted for any Village Assessments applicable exclusively to that Village. Special Assessments for capital improvements or expenses applicable to all Lots within the Properties shall be established in the same manner; however, Special Assessments applicable to a particular Lot or Village for expenses attributable exclusively to such Lot or Village shall be determined by dividing the applicable expense by the number of Lots to which it applies. After such amounts have been determined, the amounts due from the Class "B" and Class "C" Members shall be adjusted according to the following provisions. Declarant will have the following option for each assessment year:

6.4.1. During the period in which Declarant has the status of the Class B Member, all Lots and Units owned by Declarant, unless otherwise elected in writing by Declarant, shall be assessed at twenty-five percent (25%) of the rate of assessment applicable to units owned by Class A Members, provided however, that in the event that the actual operating expenses of the Master Association during the year for which the Declarant's assessment is 25% of the Class A Membership assessment exceed the actual income of the Master Association derived from all assessments imposed on all Members, Declarant shall reimburse the Master Association the difference between its actual

operating expenses and its actual assessment income for such year, save and except any portion of such deficit attributable to delinquent assessments owed by Class A Members. Payment of such reimbursement shall be made by Declarant within 30 days after receipt of the Master Association's annual statement of accounts. Notwithstanding the foregoing, the Declarant shall have the right, but not the obligation, to reimburse the Master Association for deficits attributable to delinquent assessments owed by Class A Members, and, in that event, the Master Association shall promptly institute collection proceedings, including legal action if necessary, to recover such unpaid amount(s) from such Owner(s), and, upon receipt of such recovery, the Master Association shall reimburse Declarant the amount(s) so recovered up to the amount of any operating deficit funded by Declarant which arose from such non-payment.

6.4.2. In the alternative, Declarant may elect by written notice to the Board to pay the full Class A rate of assessment for each Unit owned by Declarant within the Master Association and subject to assessment without thereby waiving its Class B status, and, in such event, shall not be liable for the operating deficit of the Master Association as provided in Subsection 6.4.1.

6.4.3. At such time as Class B status shall cease, all Lots and Units owned by Declarant shall be assessed at the full Class A rate and Declarant shall have no obligation to fund any operating deficit of the Master Association thereafter.

Section 6.5. Builder Assessments. Lots or Units owned by Class C Members shall be assessed at twenty-five percent (25%) of the Annual Assessment rate fixed for Class A Units during the period of Class B membership. Upon conversion of Class B membership to Class A, Class C shall also be converted to Class A, and full assessments shall apply.

Section 6.6. Initial Maximum Annual Assessment; Increases in Maximum Assessment; and Annual Assessment Rates.

6.6.1. Initial Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Unit by the Declarant or a Builder to a Class A Member, the Maximum Annual Assessment per Unit shall be \$262.00.

6.6.2. Increases in Maximum Annual Assessment - Without Consent of the Members. From and after such date, the Maximum Annual Assessment may be increased each year by the Board without a vote of the Membership of the Master Association by an amount not more than either (a) ten percent (10%) above the sum of (1)

the Maximum Annual Assessment for the previous year, plus (2) increases mandated by governmental agencies and/or increased fixed costs incurred for insurance, taxes, recycling, waste disposal, or to obtain services from utility companies, or (b) the percentage increase, if any, in the current U.S. Government's Consumer Price Index (Urban Price Index - All Urban Consumers), herein referred to as the "CPI", over the CPI published for the preceding period, or other statistical index providing similar information if the CPI ceases to be published, whichever amount, (a) or (b), is greater.

6.6.3. Increases in Maximum Annual Assessment - Requiring Consent of the Members. The Maximum Annual Assessment may not be increased above the amount described in Subsection 6.6.2 above without the approval of a simple majority of each class of Members who are either voting in person or by proxy, at meetings of the Village Associations duly called for this purpose, or whose approval is evidenced by the written consent of the majority of such Members.

6.6.4. Establishing the Annual Assessment. The Board of Directors of the Master Association shall set the Annual Assessment for each fiscal year at an amount not in excess of the Maximum Annual Assessment then in effect as established pursuant to Subsections 6.6.1, 6.6.2 or 6.6.3 above. If the Board sets the Annual Assessment at an amount which is less than the allowable Maximum Annual Assessment, the Board shall have the right to increase the Annual Assessment to any amount not greater than the allowable Maximum Annual Assessment then in effect without the consent of the Members upon thirty (30) days written notice. The election of the Board to set the Annual Assessment at an amount less than the Maximum Annual Assessment shall not affect the calculation of the Maximum Annual Assessment for ensuing years pursuant to this Section 6.

Section 6.7. Special Assessments. In addition to the Annual Assessments authorized herein, the Master Association may levy in any fiscal year a Special Assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Master Common Property, including fixtures and personal property related thereto; provided, such assessment shall have the affirmative vote or written consent, or combination thereof, at least a simple majority of the votes of each class of Members as evidenced by the results of votes taken by the Village Associations. The obligation to pay Special Assessments shall be computed on the same basis as for Annual Assessments. Special Assessments shall be payable in such manner and at such times as determined by

the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

The Master Association (by simple majority vote of the Board) may also levy a Special Assessment against any Member to reimburse the Master Association for costs incurred pursuant to Article 4, Section 4.3.14 and 4.3.16, in bringing a Member and his Unit or Lot into compliance with the provisions of the Master Declaration, any amendments thereto, the Articles, the Bylaws, and the Master Association rules and regulations, or for the recovery of expenses incurred pursuant to Section 6.14 of this Article 6, which Special Assessment may be levied upon the vote of the Board after notice to the Member and an opportunity for a hearing. The Master Association (by simple majority vote of the Board) may also levy a Special Assessment against the Units or Lots in any Village Association to reimburse the Master Association for costs incurred pursuant to Article 4, Section 4.3.13 or 4.3.16, in bringing the Village Association into compliance with the provisions of the Master Declaration, any amendments thereto, the Articles, the Bylaws, and the Master Association rules and regulations, which Special Assessment may be levied upon the vote of the Board after notice to the Village Representatives of the Village Association and an opportunity for a hearing.

Section 6.8. Village Assessments. The Master Association may impose a Village Assessment upon any Unit subject to the jurisdiction of a Village Association which assessment shall be for Village Expenses benefiting only Units within a particular Village Association. The Board shall be entitled to set Village Assessments only to the extent that this Master Declaration or the Bylaws specifically authorizes the Board to assess certain costs as a Village Assessment. The Village Association for each Village may request that additional services or a higher level of services be provided by the Master Association, and in such case, any additional costs shall be added to the Village Assessment. Such Village Assessment may include a capital contribution establishing a reserve fund for repair and replacement of capital items within the Village Association, as appropriate. Village Expenses shall be allocated equally among all Units within the Village Association benefitted thereby and levied as a Village Assessment subject to the provision for Class B and Class C Members set forth in Sections 6.4 and 6.5 of this Article 6. The Board shall cause a copy of its budget and notice of the amount of the Village Assessment to be levied on each Unit within the Village for the coming year to be delivered to each Owner of a Unit in the Village Association at Least thirty (30) days prior to the beginning of this fiscal year. In the event the Board fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget

in effect for the immediately preceding year shall continue for the current year, and the Village Assessment for the immediately preceding year shall continue for the current year.

Section 6.9. Notice and Quorum Requirements. Written notice of any proposed action to be taken pursuant to Subsection 6.6.3 or Section 6.7 shall be delivered to each Member at least 30 days in advance of (1) any meeting at which such matter is to be discussed or (2) any action which is to be taken by written approval of the Members in lieu of a meeting. The notice shall state the purpose of the meeting or proposed written approval and shall contain a written description of the of the proposed assessment. The notice shall also contain a copy of a proxy that can be cast in lieu of attendance at the meeting. If the Village Association has, or is planned to have, 250 Members or less - the quorum for any such meeting shall be no less than 20% of the total number of votes. If the Village Association has, or is planned to have, more than 250 Members but less than 1000 Members - the quorum for any such meeting shall be no less than 10% of the total number of votes. If the Village Association has, or is planned to have, more than 1000 Members - the quorum for any such meeting shall be no less than 5% of the total number of votes. The foregoing requirements are minimum requirements, however, more stringent requirements imposed elsewhere in this Declaration, or pursuant to applicable laws or regulations shall supersede the requirements contained in this Section and the Association shall be bound by such more restrictive requirements as if fully reproduced herein.

Section 6.10. Date of Commencement of Annual Assessments; Due Dates. The Annual Assessments provided for herein shall commence as to each Lot or Unit on the first day of the month next following the month in which the Lot or Unit is subjected to the terms and conditions of this Master Declaration by recordation of this Master Declaration or any Supplemental Declaration annexing Lots or Units into the Master Association, or on the date the Master Association Articles of Incorporation are filed with the Secretary of State of Florida, whichever occurs later. The dates when such Annual Assessments shall become due shall be established by duly adopted resolution of the Board. The Annual Assessment shall be adjusted according to the number of days remaining in the fiscal year at the time assessments commence on the Unit. The Master Association may delegate to a mortgage company, financial institution or management company responsibility for collection of assessments. The Annual Assessments shall be payable in advance in monthly installments, or in annual, semi-annual or quarter-annual installments if so determined by the Board of Directors of the Association (absent which determination they shall be payable monthly).

Section 6.11. Records of Payment. The Board shall prepare a roster of Owners and Village Associations and Annual Assessments and Special Assessments applicable thereto which shall be kept in the office of the Master Association and shall be open to inspection by any Owner at reasonable times with reasonable notice. Any Owner or Village Association shall have the right to request the Master Association to issue a written statement signed by an officer of the Master Association, setting forth whether all Annual Assessments and/or Special Assessments owed by such Owner or Village Association have been paid. The Master Association shall have the right to impose a fee for the issuance of such statements not to exceed \$50.00 per statement. Requests for such statements shall be in writing addressed to the address to which Annual Assessment payments are made. Each request shall contain the street address and legal description (by platted lot and block) of the property and the full name of the Owner (or of the Village Association if such request is made by a Village Association). The Master Association shall issue the requested statement within 30 days after receipt of the written request, subject to the payment of any fee for such service imposed by the Master Association. Such written statement issued by the Master Association shall be *prima facie* evidence of payment of any assessment therein stated to have been paid.

Section 6.12. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; The Lien; Remedies of Master Association.

6.12.1. If any assessment (e.g. any Annual Assessment or Special Assessment) is not paid on the date due, then such assessment shall become delinquent and the entire assessment shall, together with interest thereon and cost of collection thereof as hereinafter provided, become due and payable and be a continuing lien on the property which shall bind such property in the hands of the then Owner, the Owner's heirs, devisees, personal representatives and assigns. The obligation of the Owner to pay such assessment is a personal obligation and any assessments that are due but remain unpaid at the time the Owner disposes of his or her ownership interest shall be enforceable by the Master Association against such person or against such person's successor in interest to the property subject to the assessment unless such successor in interest is a *bona fide* purchaser for value without notice of the assessment, or acquires title to the property by foreclosure of a lien securing a purchase money mortgage or home equity mortgage, or by deed or conveyance in lieu of foreclosure of such lien.

6.12.2. The Master Association may record a notice of lien for delinquent assessments in the public records and foreclose the lien in the same manner as a mortgage. The lien shall not be valid against subsequent *bona fide* purchasers or mortgagees for value

unless so recorded. Upon recording, the lien shall secure the amount of delinquency stated therein and all unpaid assessments thereafter until satisfied of record, together with interest thereon, as provided herein, and the reasonable cost of (a) notices of delinquency, (b) demands for payment, (c) notices of liens, (d) assignment of liens, (e) releases of liens, (f) recording costs, (g) attorney's fees, and (h) management company fees.

6.12.3. If the assessment is not paid within thirty (30) days after the due date it shall be deemed delinquent and shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum, and the Master Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court together with the costs of the action.

6.12.4. The Master Association shall have the right and authority to assign its lien to the Village Association of which the delinquent Owner is a Member by recording a notice of such assignment in the real property records when the notice of lien is filed, and the Village Association shall thereafter be charged with the responsibility for collecting such delinquent assessments, and other amounts secured by the lien. Any delinquent amounts that have been assigned to the Village Association remaining uncollected on the last day of the fiscal year of the Village Association shall be paid by the Village Association to the Master Association within ninety (90) days thereafter.

6.12.5. The Master Association, acting on behalf of the Owners, shall have the power to bid for the Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which a Unit is owned by the Master Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be assessed or levied on it; and (c) each other Unit shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged such Unit had it not been acquired by the Master Association as a result of foreclosure.

6.12.6. Suit to recover a money judgment for delinquent amounts owed to the Master Association and attorney's fees and costs shall be maintainable without foreclosing or waiving the lien securing the same.

Section 6.13. Subordination of the Lien to Mortgages; Mortgagees' Rights. The lien of the assessments provided for herein is subordinate to the lien of any purchase money

or home equity Mortgage given to an Institutional Lender now or hereafter placed upon a Unit or Lot recorded prior to the recording of a notice of lien pursuant to Section 6.12 of this Article 6; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

An Institutional Lender, upon request, shall be entitled to written notification from the Master Association of any default of an Owner of any obligation hereunder which is not cured within sixty (60) days. The Master Association may provide such notice without receiving a request from the Institutional Lender. An Institutional Lender may pay taxes or other charges which are in default and which may or have become a charge against any Common Property and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for such Common Property and Institutional Lenders making such payments shall be owed immediate reimbursement therefor from the Master Association.

Section 6.14. Damage to Common Property by Owners. Any maintenance, repairs or replacements within the Common Property arising out of or caused by the willful or negligent act of the Owner, his family, guests or invitees shall be done at said Owner's expense or a Special Assessment therefore shall be made against his Lot or Unit.

Section 6.15. Exempt Property. The following property subject to this Master Declaration shall be exempted from all assessments, charges and liens created herein: (a) all easements, rights-of-way or other interest dedicated and accepted by the local public authority and devoted to public use; and (b) all Common Property.

Section 6.16. Collection of Master Association Assessments by Village Associations. The Board of Directors of the Master Association shall have the right to require any Village Association to collect the Annual and Special Assessments imposed by the Master Association on Lots or Units within the Village Association on behalf of the Master Association, and to remit such assessment revenues to the Master Association. In the alternative, the Board of Directors of the Master Association shall have the right to collect all Master Association Assessments and Village Association Assessments on behalf of the Village Associations and remit to the Village Associations the Village Association Assessments so collected.

## ARTICLE 7

### VILLAGES

Each Unit within the Master Association shall be located within a Village as described in Subsections 3.3.1 and 3.3.2 of Article 3. The Units within a particular Village will be subject to additional covenants, conditions, restrictions, easements and/or assessments as set forth in the Village Declaration, Articles of Incorporation and Bylaws of the Village Association. Owners of such Units or Property will all be members of a Village Association in addition to being members of the Master Association.

Each Village Association, upon the affirmative vote, written consent, or a combination thereof, of a majority of Owners within the Village, may request that the Master Association provide a higher level of service or special services for the benefit of Units in such Village. The Master Association is under no obligation to agree to provide the requested services, and its Board of Directors shall have the power to approve, deny or impose conditions upon any such request, in its sole discretion. If agreed to by the Board of Directors of the Master Association, the cost of such additional services shall be assessed against the benefitted Units as a Village Assessment pursuant to Article 6.

The senior elected officer of each Village Association shall serve as the Village Representative for such Village and shall cast all votes attributable to Units in the Village on all Master Association matters requiring membership vote, unless otherwise specified in this Master Declaration or the Bylaws. The Village Representative shall cast all such votes according to the outcome of any vote of the members of the Village Association. In the event that the Village Representative is not bound by such vote, he/she may cast all votes as he/she deems appropriate.

## ARTICLE 8

### ARCHITECTURAL CONTROL

Section 8.1. Enforcement of Architectural Standards. The Board shall have the authority and standing, on behalf of the Master Association, to enforce in courts of competent jurisdiction decisions of the committees established in Section 8.2 and 8.3 of this Article 8.

No construction, which term shall include within its definition, staking, clearing, excavation, grading, and other site work, no exterior alteration or modification of existing improvements, and no plantings or removal of plants, trees, or shrubs shall take place except in strict compliance with this Article until the requirements of the ARC-M have been fully met, and until the approval of the appropriate entities has been obtained.

Section 8.2. Architectural Review Committee - Master. The Board may establish an Architectural Review Committee - Master ("ARC-M") which shall have jurisdiction over all construction on any portion of the Properties except Units or improvements constructed or installed by the Declarant and whose duties, powers and responsibilities shall be as follows:

8.2.1. The ARC-M shall consist of three (3) or more persons designated by the Board.

8.2.2. The ARC-M shall have the right of approval of all architecture and landscaping of any Units. All construction and development within the Properties is subject to local governmental control; however, the ARC-M may, in its sole discretion, impose standards of architectural and landscaping design, which standards are greater or more stringent than standards prescribed in applicable building, zoning, planning or other local governmental codes. Notwithstanding the foregoing, all Units and improvements constructed or installed by the Declarant shall be deemed approved by the ARC-M and shall not be subject to review or approval by the ARC-M.

8.2.3. No building, sign, outside lighting, fence, hedge, wall, walk, dock or other structure or planting shall be constructed, erected, or planted until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme and the location of same shall have been submitted to and approved in writing by the ARC-M.

8.2.4. Prior to the initiation of construction upon any Lot, the Owner thereof shall first submit to the ARC-M a complete set of plans and specifications for the proposed improvements, including site plans, grading plans, landscape plans, floor plans depicting room sizes and layouts, exterior elevations, specifications of materials and exterior colors, and any other information deemed necessary by the ARC-M for the performance of its function. In addition, the Owner shall submit the identity of the individual or company intended to perform the work and a projected commencement and completion date.

8.2.5. All plans for the construction of any improvements within the Properties impacting drainage of any lot shall contain a drainage plan which shall be consistent with the master drainage plan for Waterford Chase Village.

8.2.6. Upon receipt by the ARC-M of all of the information required by this Article 8, it shall have 30 days in which to review said plans. The proposed improvements will be approved if, in the sole opinion of the ARC-M, (i) the improvements will be of an architectural style and of materials that are compatible with the other structures in the Property; (ii) the improvements will not violate any restrictive covenant or encroach upon any easement or platted building set back lines; (iii) the improvements will not result in the reduction in property value or use of adjacent property; (iv) the individual or company intended to perform the work is acceptable to the ARC-M; and (v) the improvements will be substantially completed, including all cleanup, within six (6) months of the date of commencement (twelve (12) months for the construction of a complete house). In the event that the ARC-M fails to issue its written approval or disapproval of the proposed construction within 30 days of its receipt of the last of the materials or documents required to complete the Owner's submission, the ARC-M's approval shall be deemed to have been granted without further action.

8.2.7. In the exercise of its sole discretion, the ARC-M may require the Owner to provide assurances that the improvements will be completed in accordance with the approved plans. Such assurances may include the posting of a performance bond and/or a completion bond in favor of the Master Association, independent professional inspection reports or sworn progress reports.

8.2.8. If there shall be a material deviation from the approved plans in the completed improvements, such improvements shall be in violation of this Article 8 to the same extent as if erected without prior approval of the ARC-M. The ARC-M or the Master Association or any Owner may maintain an action at law or in equity for the removal or correction of the non-conforming structure and, if successful, shall recover from the Owner in violation all costs, expenses and fees incurred in the prosecution thereof.

8.2.9. There is specifically reserved unto the ARC-M, the right of entry and inspection upon any Unit or Lot for the purpose of determination by ARC-M whether there exists any construction of any improvement which violates the terms of any approval by the ARC-M or the terms of this Master Declaration or of any other covenants, conditions and restrictions to which its deed or other instrument of conveyance makes reference. The ARC-M is specifically empowered to enforce the provisions of this Master Declaration by

any legal or equitable remedy, and in the event it becomes necessary to resort to litigation to determine the propriety of any constructed improvement, or to remove any unapproved improvements, the prevailing party shall be entitled to recovery of all court costs, expenses and reasonable attorney's fees in connection therewith. The Master Association shall indemnify and hold harmless the ARC-M from all costs, expenses and liabilities including attorney's fees incurred by virtue of any member of the ARC-M's service as a member of the ARC-M.

8.2.10. The ARC-M may delegate any portion or all of its powers reserved hereunder to a Village Association that enacts and enforces architectural standards as stringent as set forth herein. Such delegation may thereafter be canceled at any time for any reason. Enforcement of these standards and requirements may be delegated to a duly authorized architectural review committee of a Village Association ("ARC-V").

8.2.11. A majority of the ARC-M may take any action of the committee and may designate a representative to act for it. In the event of death, disability or resignation of any member of the ARC-M, the Board shall designate a successor. If a request for approval is pending before the ARC-M that must be approved or rejected before the Board has appointed a successor to the ARC-M member who has resigned or died or become disabled, the surviving member(s) of the ARC-M shall be deemed to have been named as the agent or representative of the ARC-M and shall have the authority to act on behalf of the ARC-M with respect to any such pending applications.

8.2.12. The ARC-M may impose reasonable fees and charges upon Owners to enable it to carry out its functions.

8.2.13. In each instance where a structure has been erected, or the construction thereof is substantially advanced, in such manner that the same violates the restriction contained in this Master Declaration or any other covenants which the ARC-M has the power to enforce, or in such manner that the same encroaches on any easement area or setback line, the Board of Directors of the Master Association shall have the authority to release the property from the restriction which it violated and to grant an exception to permit the encroachment by the structure over the setback line or on the easement area, so long as the ARC-M, in the exercise of its sole discretion, determines that the release or exception will not materially and adversely affect the health, safety and appearance of the Properties.

8.2.14. The Board of Directors of the Association has the right, but not the obligation, to grant waivers for minor deviations and infractions of this Master Declaration upon its own action or at the request of the ARC-M. The granting of any waiver for any portion of the Properties may be given or withheld in the Board's sole discretion and a prior grant of a similar waiver shall not impose upon the Board the duty to grant new or additional requests for such waivers.

8.2.15. The Master Association, Declarant, ARC-M or any officer, employee, director or member thereof shall not be liable for damages to any persons submitting plans and specification or approval by reason of mistake in judgment, negligence or non-feasance arising out of or in connection with the approval, disapproval or failure to approve any plans and specifications. Every person who submits plans and specifications for approval agrees, by submission of such plans and specifications, that it will not bring any action or suit against the Master Association, Declarant or ARC-M to recover any such damages. Further, any Builder on any of the Residential Property agrees to indemnify and hold the Declarant harmless from and against any cost, claim, damage, expense or liability whatsoever, including, attorney's fees at all tribunal levels, arising out of any approval of plans given by the ARC-M hereunder.

Section 8.3. Declarant Exemption. This Article, except for the requirement to construct improvements in accordance with required governmental approvals, shall not apply to the original structures erected on any Lot built by or on behalf of, and/or sold by Declarant, its successors and assigns.

Section 8.4. Modifications. The ARC-M shall also have exclusive jurisdiction over modifications, additions, or alterations made on or to existing Units or structures containing Units and the Open Space, if any, appurtenant thereto; provided, however, the ARC-M may delegate this authority to the appropriate board or committee of any Village Association (ARC-V) subsequently created or subsequently subjected to this Declaration so long as the ARC-M has determined that such board or committee has in force review and enforcement practices, procedures, and appropriate standards at least equal to those of the ARC-M. Such delegation may be revoked at any time by written notice.

The ARC-M may promulgate detailed standards and procedures governing modifications to existing Units or structures. In addition thereto, the following shall apply: Plans and specifications showing the nature, kind, shape, color, size, materials, and location of such modifications, additions, or alterations, shall be submitted to the ARC-M for approval as to quality of workmanship and design and as to harmony of external design

with existing structures, location in relation to surrounding structures, topography, and finish grade elevation. No permission or approval shall be required to repaint in accordance with an originally approved color scheme, or to rebuild in accordance with originally approved plans and specifications. Nothing contained herein shall be construed to limit the right of any Owner to remodel the interior of a Unit or to paint the interior of his Unit any color desired. In the event that the ARC-M fails to approve or to disapprove such plans or to request additional information reasonably required within thirty (30) days after submission, the plans shall be deemed approved.

Section 8.5. Address for Notice. Requests for ARC-M approval or correspondence with the ARC-M shall be addressed to the Waterford Chase Village Architectural Review Committee and mailed or delivered to the principal office of Declarant in the greater Orlando, Florida area, or such other address as may be designated from time to time by the ARC-M. No correspondence or request for approval shall be deemed to have been received until actually received by the ARC-M in form satisfactory to the ARC-M.

## ARTICLE 9

### USE RESTRICTIONS

All Lots and Units in Waterford Chase Village shall be subject to restrictive covenants that place reasonable limitations on use and occupancy and are intended to protect the health, safety and welfare of the residents of the Properties and enhance and protect property values. Each Village Declaration ( and each Supplemental Declaration annexing additional land into a Village) shall set forth use restrictions applicable to the Village. Because the Properties will contain a mix of housing types whose residents will have differing needs and concerns, each Village may have restrictive covenants that are appropriate to that Village but may not be identical to the restrictive covenants applicable to other Villages. Each Village Association, and the residents of each Village, shall have the right to enforce the restrictive covenants contained in the Village Declaration (or in any other Supplemental Declaration applicable to the Village), and, in addition, the Declarant and the Master Association shall also have the right, but not the obligation, to enforce such restrictive covenants in the absence of action by the Village Association.

## ARTICLE 10

### ACCEPTANCE AND MAINTENANCE OF COMMON PROPERTIES

Section 10.1. Construction and Ownership of Common Property Improvements.

It is anticipated that Declarant will designate certain portions of the Property to be Common Property, Village Common Area or Exclusive Common Area (collectively referred to in this Article 10 as the "Common Properties") that will be improved or developed in phases in association with the development and annexation of the Villages. Declarant may elect to construct or install certain improvements or facilities upon portions of the Common Properties, but is not obligated to do so. Declarant shall have the absolute right and power to determine what improvements or facilities, if any, it will install or construct on the Common Properties at all times prior to conveying such Common Properties to the Master Association or to a Village Association, and within two (2) years thereafter. All lands designated by the Declarant as Common Properties shall be conveyed to, and title shall be held by, the Master Association or a Village Association, together with all improvements or facilities constructed or installed thereon.

Section 10.2. Acceptance of Common Properties. Within thirty (30) days after receipt of written notice from the Declarant informing the Master Association or a Village Association that Declarant has completed construction or installation of improvements upon any portion of Common Properties, the President of the Master Association (or of the Village Association, as the case may be), or in the absence of the President, any Vice President of such association, together with a duly authorized representative of the Declarant, shall conduct a thorough inspection of the improvements or facilities, and shall report in writing any incomplete or defective conditions. The Master Association or Village Association shall have the right to engage the service of a professional engineer, or other qualified inspector, to assist with the inspection and preparation of the written report. Upon completion or correction of any incomplete or defective conditions by Declarant, and re-inspection and approval by the President (or Vice President, as the case may be), or, in the event that the Declarant and the representative of the Master Association or Village Association disagree about the completion or correction of allegedly incomplete or defective conditions, upon written certification of completion by a licensed engineer or architect engaged by the Declarant, Declarant shall convey all of its right, title and interest in and to the Common Properties in question, including the improvements or facilities, to the Master Association or to the Village Association, as the case may be, and the Master Association or Village Association shall accept and acknowledge the deed of conveyance, and/or the certificate of completion, and shall thereafter own all right, title and interest in the Common Properties and improvements or facilities then conveyed.

Section 10.3. Maintenance of the Common Properties. The Master Association or village Association shall own, operate and maintain all Common Properties and the

improvements or facilities constructed or installed thereon in first class condition, subject to normal wear and tear, depreciation, and the elements. Maintenance of the Common Properties shall include periodic inspection and preventive maintenance for the improvements and facilities thereon.

Section 10.4. Inspections of the Common Properties by Declarant. Declarant hereby reserves the right, at all times after conveyance of the Common Properties to the Master Association or Village Association, to enter the Common Properties, without prior notice, and to inspect the condition of the improvements and facilities thereon. If Declarant determines, in its sole judgement, that the improvements or facilities are in need of repair or maintenance, it shall so notify the Master Association or Village Association in writing, and it shall be the sole obligation of the Master Association or Village Association owning such Common Properties to promptly complete such repairs or maintenance. Failure of the Master Association or Village Association to properly maintain and repair the Common Properties shall relieve the Declarant of any liability to the Master Association or Village Association or to any Member for any condition of the Common Properties. Declarant shall have the right to make a record of its inspections by photographing and/or videotaping the Common Properties, and shall have the right to perform tests or examinations to determine the condition of the Common Properties, provided that Declarant shall indemnify the Master Association or Village Association from any claims for personal injury, death, property damage or non-payment asserted by persons claiming by, through or under the Declarant for injury, death or damage occurring as a result of such examinations or tests. Notwithstanding the foregoing, Declarant shall have no obligation to perform inspections of the Common Properties owned by the Master Association or Village Association. The deeds conveying the Common Properties to the Master Association or Village Association may contain a recitation of this reservation, however failure to recite such reservation in such deeds shall not affect the rights of Declarant herein reserved.

Section 10.5. Maintenance and Repair Records. The Master Association or Village Association shall keep records of maintenance and repairs performed on the Common Properties, and such records shall be made available to the Declarant and to any Member upon written request. Failure of the Master Association or Village Association to maintain appropriate records of maintenance and repairs shall be conclusive evidence that such maintenance and repairs were not performed.

Section 10.6. Surface Water and Storm Water Management System. The Declarant has caused or will cause to be constructed within the geographic area shown by the Master

Plan drainage canals, lakes and drainage retention/detention ponds. These drainage structures are part of the overall drainage plan for Waterford Chase Village. The Master Association shall have unobstructed ingress to and egress from all retention/detention ponds and lakes at all reasonable times to maintain said ponds and lakes in a manner consistent with its responsibilities. No Village Association, Owner or the Declarant shall cause or permit any interference with such access and maintenance. Should any Village Association fail to sufficiently maintain any portion of the Surface Water and Storm Water Management System within its boundaries (or any portion of a surface water management system which connects with the Surface Water and Storm Water Management System), the Master Association shall have the authority to maintain such portion and the cost of such maintenance shall be assessed against and become a debt of the Village Association and shall become immediately due and payable as provided for other assessments of the Village Association. Consequently, no Owner shall utilize, in any way, any of the Waterford Chase Village drainage facilities or incorporate such facilities in the Owner's development plans, without the express prior written consent of the Declarant and the Master Association. Further, where an Owner's Lot is contiguous to any of the drainage facilities of Waterford Chase Village, the Owner shall prepare its site plan so that the utilization of its property will not adversely affect the drainage facilities and structures and so as to be aesthetically compatible with such drainage facilities and structures.

Section 10.7. SJRWMD Permits. The Association shall maintain, as part of the common elements, drainage structures for the properties, and comply with conditions of the permits from the St. Johns River Water Management District ("SJRWMD") for the drainage system. The Association, shall, when requested by Declarant, accept transfer of the SJRWMD permit identified as Number 40-095-0388M for Eagle Chase Phase I (now known as Waterford Chase Village). The conditions include monitoring and record keeping schedules, and maintenance.

Section 10.8. Monitoring. Water quality data for the water discharged from the permittee's property or into the surface waters of the state shall be submitted to the SJRWMD as required. Parameters to be monitored may include those listed in Chapter 17-3 of the Florida Administrative Code. Analyses shall be performed according to procedures outlined in the current edition of Standard Methods for the Examination of Water and Wastewater by American Public Health Association of Methods for Chemical Analyses of Water and Wastes by the U. S. Environmental Protection Agency. If water quality data are required, the permittee shall provide data as required on volume of water discharged, including total volume discharged during the days of sampling and total monthly discharge from the Property or into surface waters of the state.

Section 10.9. Control. The Master Association agrees to operate and maintain the system, and has sufficient ownership so that it has control over all water management facilities authorized.

Section 10.10. Hold Harmless. The Master Association shall hold and save the SJRWMD harmless from any and all damages, claims, or liabilities which may arise by reason of the operation, maintenance or use of any facility authorized by the permit.

Section 10.11. Operation. The Association shall at all times properly operate and maintain the systems of treatment and control ( and related appurtenances) that are installed or used to achieve compliance with conditions of the permit, as required by the SJRWMD. This provision includes the operation of backup or auxiliary facilities or similar systems when necessary to achieve compliance with the conditions of the permit and when required by SJRWMD rules.

Section 10.12. Access and Inspection. The Association, specifically agrees to allow authorized SJRWMD personnel, upon presentation of credentials or other documents as may be required by law, access to the premises, at reasonable times, where the permitted activity is located or conducted; for the purposes of inspection and testing to determine compliance with this permit and SJRWMD regulations, such as:

- a. Having access to and copying any records that must be kept under the conditions of the permit; and
- b. Inspecting the facility, equipment, practices, or operations regulated or required under the permit; and
- c. Sampling or monitoring any substances or parameters at any location reasonably necessary to assure compliance with the permit or SJRWMD rules; and
- d. Gathering of data and information.

Reasonable time may depend on the nature of the concern being investigated.

Section 10.13. Littoral Areas. Establishment and survival of littoral areas provided for storm water quality treatment in wet detention systems shall be assured by proper and continuing maintenance procedures designed to promote viable wetlands plant growth of

natural diversity and character. Following as-built approval, perpetual maintenance shall be provided for the permitted system.

Section 10.14. Reports. The Master Association shall submit inspection reports in the form required by SJRWMD, in accordance with the following schedule unless specified otherwise here or in the permit application:

- a. For systems utilizing effluent filtration or exfiltration, the inspection shall be performed eighteen (18) months after operation is authorized and every eighteen (18) months thereafter.
- b. For systems utilizing retention and wet detention, the inspections shall be performed two (2) years after operation is authorized and every two (2) years thereafter.

Section 10.15. Surface Water Management Plan. It shall be the responsibility of each Lot Owner within the subdivision at the time of construction of a building, residence, or structure, to comply with the construction plans for the surface water management system pursuant to Chapter 40D-4, F.A.C., approved and on file with the SJRWMD.

Section 10.16. Non-Disturbance. It is the Lot Owner's responsibility not to remove native vegetation (including cattails) that become established within the wet detention ponds abutting their property. Removal includes dredging, the application of herbicide, and cutting. Lot Owners should address any question regarding authorized activities within the wet detention pond to SJRWMD, Surface Water Permitting Department.

Section 10.17. Prior Approval. No Owner of a Lot within the subdivision may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wetlands, buffer areas, and upland conservation areas described in the approved permit and recorded Plat of the subdivision, unless prior approval is received from the SJRWMD pursuant to Chapter 40D-4.

Section 10.18. Effect of Dissolution. In the event of the termination, dissolution or final liquidation of the Master Association, the responsibility for the operation and maintenance of the Surface Water and Storm Water Management System must be transferred to and accepted by an entity which would comply with Section 40C-42.027, Florida Administrative Code, and be approved by the St. Johns River Water Management District prior to such termination, dissolution or liquidation.

Section 10.19. Special Amendments Relating to Surface Water and Storm Water Management System. Any amendment to this Declaration or any Village Declaration which alters the Surface Water and Storm Water Management System, beyond maintenance in its original condition, including the water management portions of the Common Properties, must have the prior written approval of the St. Johns River Water Management District. This section may not be amended without the consent of such District.

The Master Association shall keep all improvements, facilities and fixtures located within the Common Areas insured against loss or damage by fire or other casualty for the full insurable replacement value thereof (with reasonable deductibles and normal exclusions for land, foundations, excavation costs and similar

matters, and may obtain insurance against such other hazards and casualties as the Master Association may deem desirable. The Master Association may also insure any other property, whether real or personal, owned by the Master Association, against loss or damage by fire and such other hazards as the Master Association may deem desirable, with the Master Association as the owner and beneficiary of such insurance for and on behalf of itself and all Members. The insurance coverage with respect to the Common Areas shall be written in the name of, and the proceeds thereof shall be payable to, the Master Association. To the extent obtainable at reasonable rates, the insurance policy(ies) maintained by the Master Association shall contain provisions, or be accompanied by endorsements, for: agreed amount and inflation guard, demolition costs, contingent liability from operation of building laws and increased costs of construction.

All insurance policies shall contain standard mortgagee clauses, if applicable.

The Master Association shall also maintain, to the extent any insurable improvements to Common Areas are within an "A" flood zone, flood insurance in an amount equal to the lesser of 100% of the replacement costs of all insurable improvements (if any) within the Common Areas or the maximum amount of coverage available under the National Flood Insurance Program, whichever is less.

Section 12.2. Waiver of Subrogation. As to each policy of insurance maintained by the Master Association which will not be voided or impaired thereby, the Master Association hereby waives and releases all claims against the Board, the Members, Declarant and the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement by said persons, but only to the extent that insurance proceeds are received in compensation for such loss.

Section 12.3. Liability and Other Insurance. The Master Association shall have the power to and shall obtain comprehensive public liability insurance, including medical payments and malicious mischief, with coverage of at least \$1,000,000.00 (if available at reasonable rates and upon reasonable terms) for any single occurrence, insuring against liability for bodily injury, death and property damage arising from the activities of the

Master Association or with respect to property under its jurisdiction, including, if obtainable, a cross liability endorsement insuring each Member against liability to each other Member and to the Master Association and *vice versa*. The Master Association may also obtain Worker's Compensation insurance and other liability insurance as it may deem desirable, insuring each Member and the Master Association and its Board of Directors and officers, from liability in connection with the Common Areas, the premiums for which shall be Common Expenses and included in the assessments made against the Members. At a minimum, however, there shall be blanket fidelity bonding of anyone (compensated or not) who handles or is responsible for funds held or administered by the Master Association, with the Master Association to be an obligee thereunder. Such bonding shall cover the maximum funds to be in the hands of the Master Association or management company during the time the bond is in force. In addition, the fidelity bond coverage must at least equal the sum of three (3) months' of regular assessments, plus all reserve funds.

#### Section 12.4. Damage and Destruction.

12.4.1. Immediately after damage or destruction by fire or other casualty to all or any part of the Common Property covered by insurance written in the name of the Master Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Properties. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Properties to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

12.4.2. In the event of damage or casualty loss to the improvements, if any, erected on the Common Properties, which in the opinion of the Board of Directors, should not be repaired or reconstructed, the Board shall deliver written notice thereof to each

Member stating (1) the amount of the insurance proceeds to be paid to the Association by the insurer as a result of the loss; (2) the estimated cost of repair or reconstruction; and (3) a request that each Member deliver a written response voting for or against repair or reconstruction within 30 days after receiving the Board's notice. Such notice shall be sent to each Member within 60 days after the Board has received the settlement offer of the insurer and the estimated cost of repair or reconstruction from a qualified contractor. The Association shall make the repairs or reconstruct the improvements unless at least 75% of the Members of each class of membership vote not to do so. No Eligible Holder shall have the right to participate in the determination of whether the damage or destruction to the Master Common Area shall be repaired or reconstructed; provided, however, this provision shall not apply to construction Mortgagees, if any, providing construction financing for such damaged Common Property.

12.4.3. In the event that it should be determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized by the Members, then and in that event the affected portion of the Common Property shall be restored to its natural state and maintained by the Master Association in a neat and attractive condition.

Section 12.5. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction. Any proceeds remaining after defraying such costs of repair or reconstruction to the Master Common Property shall be retained by and for the benefit of the Master Association and placed in a capital improvements account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Eligible Holders as their interests may appear, shall be retained by and for the benefit of the Master Association and placed in a capital improvements account. This is a covenant for the benefit of any Eligible Holder of a Unit and may be enforced by such Mortgagee.

Section 12.6. Repair and Reconstruction. If the damage or destruction to the Common Area for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Members, levy a Special Assessment against all Owners on the same basis as provided for Annual Assessments. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

such assignment and assume such duties, he or it shall to the extent of such assignment have the same rights and powers and be subject to the same obligations and duties as are herein given to and assumed by the Master Association or Declarant. Section 13.5. Municipal Service Taxing Units. In order to perform the services contemplated by this Master Declaration, the Master Association or Declarant, in conjunction with Orange County, Florida, may seek the formation of special purpose municipal service taxing units ("MSTUs"). The MSTUs will have responsibilities defined in their enabling resolutions which may include, but are not limited to, maintaining roadway informational signs, traffic control signs, benches, trash receptacles and other street furniture, keeping all public roadways and roadside pedestrian easements clean of windblown trash and debris, mowing, payment of electrical charges, maintenance of drainage canals, ponds and structures, maintenance of designated landscape areas, payment of energy charges for street and pedestrian lighting, and other services benefiting the Properties. Services performed by an MSTU that would otherwise be performed by the Master Association and for which the MSTU imposes assessments on the Owners shall be removed from the Master Association's budget and the Board shall reduce the Annual Maintenance Assessment accordingly.

Section 13.6. Enforcement. Enforcement of these covenants, conditions and restrictions shall be by any proceeding at law or in equity and may be instituted by Declarant, its successors or assigns, the Master Association, its successors or assigns, or any Owner against any person or persons violating or attempting to violate or circumvent any covenant, condition or restriction, either to restrain violation or to recover damages, and against the land and to enforce any lien created by these covenants; and failure by the Master Association or any Owner or Declarant to enforce any covenant, condition or restriction herein contained for any period of time shall in no event be deemed a waiver or estoppel of the right to enforce same thereafter. Further, the Master Association shall

Section 13.7. Severability. Should any covenant, condition or restriction herein contained, or any Article, Section, subsection, sentence, clause, phrase or term of this Master Declaration be declared to be void, invalid, illegal, or unenforceable, for any reason, by the adjudication of any court or other tribunal having jurisdiction over the parties hereto and the subject matter hereof, such judgment shall in no way affect the other provisions hereof which are hereby declared to be severable and which shall remain in full force and effect.

Section 13.8. Interpretation. The Board shall have the right except as limited by any other provisions of this Master Declaration or the Bylaws to determine all questions arising in connection with this Master Declaration and to construe and interpret its provisions, and its good faith, determination, construction or interpretation shall be final and binding. In all cases, the provisions of this Master Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the maintenance of Master Common Areas and the facilities located thereon.

Section 13.9. Disposition of Common Property on Termination of Master Declaration. Should the Members of the Master Association vote not to renew and extend this Master Declaration as provided for herein, all Master Common Property owned by the Master Association at such time shall be transferred to another association or appropriate public agency having similar purposes. If no other association or agency will accept such property then it will be conveyed to a Trustee appointed by the Circuit Court of Orange County, Florida, which Trustee shall sell the Master Common Property free and clear of the limitations imposed hereby upon terms established by the Circuit Court of Orange County, Florida. That portion of the Open Space or Master Common Property consisting of the Surface Water and Storm Water Management System cannot be altered, changed or sold separate from the lands it serves except that Declarant shall be obligated to and shall convey that portion of the Open Space consisting of the Surface Water and Storm Water Management System to the Master Association upon completion and approval of such system by all applicable governmental authorities. The proceeds of such a sale shall first be used for the payment of any debts or obligations constituting a lien on the Master Common Property, then for the payment of any obligations incurred by the Trustee in the operation, maintenance, repair and upkeep of the Master Common Property. The excess of proceeds, if any, from Master Common Property shall be distributed among Owners in

a proportion which is equal to the proportionate share of such Owners in Master Common Expenses.

Section 13.10. Execution of Documents. The Master Plan for the development of the Properties may require from time to time the execution of certain documents required by governmental authorities. To the extent that said documents require the joinder of Owners, Declarant by its duly authorized officers may, as the agent or the attorney-in-fact for the Owners, execute, acknowledge and deliver such documents and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through its duly authorized officers, as their proper and legal attorneys-in-fact for such purpose. Said appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section shall recite that it is made pursuant to this Section.

Section 13.11. Indemnification. The Master Association shall indemnify every officer, director, and committee member against any and all expenses, including counsel fees, reasonably incurred by or imposed upon such officer, director or committee member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be a party by reason of being or having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Master Association (except to the extent that such officers or directors may also be Members of the Master Association), and the Master Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director, or committee member, or former officer, director, or committee member may be entitled. The Master Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 13.12. Prohibited Actions. Notwithstanding anything contained herein to the contrary, the Master Association will perform no act nor undertake any activity which will violate its non-profit status under applicable state or federal law.

Section 13.13. Singular, Plural and Gender. Whenever the context so permits, the use of the singular shall include the plural and the plural shall include the singular, and the use of any gender shall be deemed to include all genders.

- (b) *Class B Members.* The Class B Member shall be Centex Homes or its specifically designated (in writing) successor who shall remain a

## ARTICLE VI

### VOTING RIGHTS

*Section 6.1.* Members of the Association shall be allocated votes as follows:

Class A. Each Class A Member shall be entitled to one vote for each Lot or Unit owned. For the purposes of determining voting rights, each Lot or Unit owned by a Class A Member shall be deemed entitled to one (1) vote regardless of the number of persons sharing common ownership interests.

Class B. The Class B Member shall be allocated three (3) votes for each Lot or Unit owned by it within the Association Properties; provided, that at such time as the Class B membership shall cease and become converted to Class A membership as set forth in Section 6.3, the Declarant shall have one vote for each Unit or Lot owned by it within the Association Properties.

Class C. Class C Members shall have one (1) vote for each Lot or Unit they own in the Association Properties; provided, that at such time as the Class C membership shall cease and become converted to Class A membership as set forth in Section 6.3, the Builders shall have one vote for each Unit or Lot owned by it within the Association Properties.

*Section 6.2.* When any Unit or Lot is owned of record in the name of two or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants in partnership, or in any other manner of joint or common ownership, or if two or more persons or entities have the same fiduciary relationship respecting the same property, then unless the instrument or order appointing them or creating the tenancy otherwise directs and it, or a copy thereof, is filed with the secretary of the Association, such Owner shall select one official representative to qualify for voting in the Association and shall notify in

writing the Secretary of the Association of the name of such individual. The vote allocated to any Unit or Lot (including Units or Lots owned by the Declarant or a Builder) may not be divided or cast in any fraction, and the vote of each official representative shall be considered to represent the will of all the Owners of that Lot or Unit. If the Owners fail to designate their official representative, then the Association may accept the person asserting the right to vote as the voting Owner until notified to the contrary by the other Owner(s). Upon such notification no affected Owner may vote until the Owner(s) appoint their official representative pursuant to this paragraph.

*Section 6.3.* The Declarant's Class B membership status shall continue, and shall be in effect, during the period from the inception of the Declaration until either (1) seven (7) years from the date the Declaration is recorded; or (2) five (5) years after the date of recording of the last Supplemental Declaration annexing additional property into this Association, whichever event, (1) or (2) occurs later; or (3) upon recording of a voluntary written notice executed by the Declarant or its duly authorized successor or assignee electing to convert its Class B status to Class A; or (4) in any event, one hundred twenty (120) days after the conveyance of the Unit to a Class A Member that causes the total number of votes held by all Class A Members of this Association to equal the number of votes in all Villages held by the Class B Member, whichever event, (1), (2), (3) or (4), occurs first; provided however, that if Class B status is converted to Class A pursuant to clause (4) and, subsequent to such event, the Declarant annexes an additional Village to the Association or annexes additional Lots to an existing Village which annexation causes the number of Lots or Units owned by the Declarant in all Villages to exceed twenty-five percent (25%) of the total number of Lots and Units within all Villages, Declarant's Class B status shall be restored as to all Lots and Units then owned by Declarant, and shall continue until the next occurrence of an event of conversion described above. For the purposes of these Articles of Incorporation, all Lots and Units owned by the Declarant within the Association Properties shall be included in the determination of Class B status even if Declarant owns fewer than twenty-five percent (25%) of the Lots or Units within any particular Village as defined in the Declaration. The rights, privileges and obligations of Class B status shall prevail within all Village Associations, as defined in the Declaration, as long as Declarant shall be a Class B Member of this Association, even if Declarant owns only one Lot or Unit within such Village Association.

*Section 6.4.* The Declarant shall have the right to partially assign its status as Declarant and Class B Member by recorded instrument executed by the original Declarant and acknowledged and accepted by the assignee Declarant to any person or entity acquiring any portion of the Property, or the Undeveloped Parcel eligible for annexation into the Property, for the purpose of development of a residential subdivision consistent with the Master Plan, and any such assignee shall thereafter be deemed to be the Declarant as to the Lots or Units owned by such person or entity, and shall have the right to exercise

all of the rights and powers of the Declarant as to such Lots and Units, while, at the same time, the original Declarant shall continue to exercise the rights and powers of the Declarant as to all Lots and Units owned by such original Declarant. If any action of the Association, requires the approval, consent or vote of the Declarant, and the original Declarant has partially assigned its rights as Declarant to others pursuant to this paragraph, the consent or vote of all such Declarants shall be required to satisfy the requirement of consent by the Declarant.

### AMENDMENTS

*Section 8.1 Proposal.* An amendment or amendments to these Articles of Incorporation may be proposed by the Board of Directors of the Association acting upon a vote of the majority of the Directors, or by a majority of the Members of the Association, whether meeting as Members or by instrument in writing signed by them. Upon any amendment or amendments to these Articles of Incorporation being proposed by the Board of Directors or Members, such proposed amendment or amendments shall be transmitted to the President of the Association, or the acting chief executive officer in his absence, and a Meeting of the Members of the Association shall be called not later than sixty (60) days from the receipt by him of the proposed amendment or amendments.

*Section 8.2 Notice.* It shall be the duty of the Secretary to give each Member written notice of such meeting, stating the proposed amendment or amendments in reasonably detailed form, which notice shall be prepared by and at the expense of the Village Association and mailed by the Village Association or presented personally to each Member not less than thirty (30) days nor more than sixty (60) days before the date set for the meeting. If mailed, such notice shall be deemed to be properly given when deposited in the United States mail, addressed to the Member at his post office address as it appears on the records of the Association, with postage thereupon prepaid. Any Member may, by written waiver of notice signed by such Member, waive such notice, and such waiver when filed in the records of the Village Association, whether before, during or after the holding of the meeting, shall be deemed equivalent to the giving of such notice to such Member. The notice shall also contain a copy of a proxy that can be cast in lieu of attendance at the meeting. If the Village Association has, or is planned to have, 250 Members or less - the quorum for any such meeting shall be no less than 20% of the total number of votes. If the Village Association has, or is planned to have, more than 250 Members but less than 1000 Members - the quorum for any such meeting shall be no less than 10% of the total number of votes. If the Village Association has, or is planned to have, more than 1000 Members - the quorum for any such meeting shall be no less than 5% of the total number of votes. The foregoing requirements are minimum requirements, however, more stringent requirements imposed elsewhere in these Articles of Incorporation or in the Declaration, or pursuant to applicable laws or regulations shall supersede the requirements contained in this Section and the Association shall be bound by such more restrictive requirements as if fully reproduced herein.

*Section 8.3 Resolution.* At the meeting at which the amendment is to be proposed and considered, a resolution for the adoption of the proposed amendment may be made by any member of the Board of Directors of the Association, or by any Member of the

Association, present in person or by proxy. The approval of a resolution for the adoption of a proposed amendment to these Articles of Incorporation shall require the affirmative vote of a majority of the members of the Board of Directors of the Association.

*Section 8.4 Approval.* Amendments may be approved by the Members, after receipt of notice as set forth above, either (1) by the affirmative vote of at least 67% of the Class A Members (i.e. all Members except the Declarant and any Builder who retain Class B or Class C status) who are present, in person or by proxy, and voting at meetings called as described in the notice and conducted by the Village Associations at which a quorum is present, and the vote of the Declarant, or (2) by the written consent of at least 67% of all Class A Members and the Declarant (if the Declarant then retains Class B status) to any action taken in lieu of a meeting. In addition to the approval of the Members and the Declarant set forth above, the following conditions shall apply:

a. Any Material Amendment or Extraordinary Action (as defined in the Declaration) that changes the rights of any specific class of Members (i.e. Class A; Class B; or Class C) must also be approved either (1) by the affirmative vote of at least 51% of the Members of such Class who are present, in person or by proxy, and voting at meetings called as described in the required notice at which a quorum of such Class of Members is present, or (2) by the written consent of at least 51% of all Members of such Class to any action taken in lieu of a meeting.

b. Any Material Amendment or Extraordinary Action proposed during the period in which the Declarant retains its Class B status must also be approved by the Federal Housing Administration ("FHA"), and the Department of Veterans Affairs ("VA") if any Unit within the Properties has been financed by a mortgage insured by FHA or guaranteed by VA. The Association shall deliver written notice of the proposed Material Amendment or Extraordinary Action to the FHA and VA simultaneously with its notice to the Members. If the FHA or VA fails to deliver written notice to the Association of its objection to the proposed Material Amendment or Extraordinary Action within 30 days after receipt of the notice, FHA and VA will be deemed to have approved the matters contained in the notice, and the Association shall be entitled to record an affidavit signed by an authorized officer averring that written notice was delivered to the FHA and VA and no objection was timely received from such agencies.

Notwithstanding the foregoing, during the period in which the Declarant retains the status of the Class "B" Member, the Declarant shall have the right to amend these Articles of Incorporation, without the necessity of joinder by the Members or any other persons or entities, to make nonsubstantial changes that do not materially or adversely affect the

interests of other Members or other affected parties, and to clarify any ambiguities or conflicts, or correct any scrivener's errors in these Articles of Incorporation.

*Section 8.5 Limitation.* No amendment shall make any changes in the qualification for membership nor in the voting rights or property rights of Members, nor any changes in the provisions of Article IV hereof, without approval of sixty-seven percent (67%) of the votes of each class of Members and the joinder of all Eligible Holders (as defined in the Declaration) of mortgages upon Units. No amendment shall be made that is in conflict with the Declaration, nor shall any amendment make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of or reserved to the Declarant, or the designated successor of the Declarant, unless the Declarant or such successor shall join in the execution of the amendment.

*Section 8.6 Recording.* Any amendment or amendments of these Articles of Incorporation shall be transcribed and certified in such form as may be necessary to file the same in the office of the Secretary of State of the State of Florida. A certified copy of each amendment of these Articles of Incorporation shall be recorded in the Public Records of Orange County, Florida, within thirty (30) days from the date on which the same is filed and returned from the office of the Secretary of State.

## ARTICLE X INDEMNIFICATION

*Section 10.1 Indemnity.* The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of

the fact that he is or was a Director, employee, officer or agent of the Association, against expenses (including attorneys fees and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceedings, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceedings, has no reasonable cause to believe his conduct was unlawful, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for gross negligence or misfeasance or malfeasance in the performance of his duty to the Association, unless and only to the extent that the Court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such Court shall deem proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

*Section 10.2 Expenses.* To the extent that a Director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 10.1 above, or in defense of any action, suit or proceeding referred to in Section 10.1 above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees and appellate attorneys' fees) actually and reasonably incurred by him in connection therewith.

*Section 10.3 Approval.* Any indemnification under Section 10.1 above (unless ordered by a Court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Directors, officers, employees or agent is proper under the circumstances because he has met the applicable standard of conduct set forth in Section 10.1 above. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, if a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, or by a majority of the Members.

*Section 10.4 Advances.* Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in any specific case upon receipt of an undertaking by or on behalf of the affected Director, officer, employee or

agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article X.

*Section 10.5 Miscellaneous.* The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of Members or otherwise, and shall continue as to a person who has ceased to be a Director, officer, employee or agent and shall inure to the benefit of the heirs and personal representatives of such person.

*Section 10.6 Insurance.* The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the Association, as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

## ARTICLE XI

*Section 12.1* No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, or Association, or other organization in which one or more of its Directors or officers are Directors or officers have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee thereof which authorized the contract or transaction, or solely because his or their votes are counted for such purpose. No Director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

BYLAWS OF

WATERFORD CHASE VILLAGE MASTER

COMMUNITY ASSOCIATION, INC.

ARTICLE I

GENERAL PLAN OF OWNERSHIP

*Section 1. Name.* The name of the corporation is WATERFORD CHASE VILLAGE MASTER COMMUNITY ASSOCIATION, INC., a Florida corporation, and is hereafter referred to as the "Association" or "Master Association". The principal office of the corporation shall be located in the State of Florida.

*Section 2. Bylaws Applicability.* The provisions of these Bylaws are applicable to the Association created pursuant to the Master Declaration of Covenants, Conditions and Restrictions for Waterford Chase Village recorded in the Public Records of Orange County, Florida (herein referred to as the "Declaration"). All capitalized words or phrases used herein shall have the meanings herein ascribed, and if not defined in this instrument, such capitalized words or phrases shall have the meanings given in the Declaration or Articles of Incorporation of the Association.

*Section 3. Personal Application.* All present and future Owners of Lots or Units within the Association Properties (as defined in the Articles of Incorporation and Declaration of the Association) and their tenants, guests and invitees are subject to the regulations set forth in these Bylaws.

The recording of a declaration authorizing the creation of a homeowners' association and the mere acquisition of a Lot or acquisition or rental of any Unit or the mere act of occupancy of any Unit signify that these Bylaws are accepted, ratified, and will be complied with.

ARTICLE II

MEMBERSHIP, VOTING RIGHTS, MAJORITY  
OF QUORUM, QUORUM, PROXIES

*Section 1. Membership.* Every Owner of a Unit or Lot, and every Builder owning any Unit or Lot, by virtue of the ownership of such Unit or Lot, and the Declarant and its

successors and assigns, shall be Members of the Association, and by acceptance of a deed or other instrument evidencing an ownership interest, each Owner, Builder and Declarant accepts membership in the Association, acknowledges the authority of the Association as herein stated, and agrees to abide by and be bound by the provisions of this Declaration, the Articles of Incorporation, the Bylaws and other rules and regulations of the Association. The term "Member" shall include each person or entity owning any right, title or interest in any Unit or Lot, except persons or entities holding mortgages or other security or trust interests unless such persons or entities also have the right of possession. Tenants or others occupying any Unit who do not have an ownership interest therein shall not be Members for the purposes of this Master Declaration. Membership in the Association is appurtenant to, and may not be severed from, the Unit or Lot. The rights and obligations of a Member may not be assigned or delegated except as provided in this Master Declaration, the Articles of Incorporation or Bylaws of the Association, and shall automatically pass to the successor-in-interest of any Owner upon conveyance of such Owner's interest in the Lot or Unit. Members shall be responsible for compliance with the terms and conditions of this Master Declaration, the Articles of Incorporation and Bylaws, and rules and regulations of the Association by all occupants, tenants, guests, invitees and family members while residing in or visiting any Unit, Common Area or other portion of the Property.

*Section 2. Villages; Village Associations; and Voting Rights.*

2.1. The Property will be developed in stages or phases that will be designated as separate Villages for the purposes of the Association. Each Lot or Unit subject to the Declaration will be situated within a Village. Each Village will contain Lots or Units sharing common facilities and having similar interests. Each Village will be subject to the Declaration, and will also be subject to a separate Village Declaration that will, among other things, create a separate Village Association which will be governed by its own separate Articles of Incorporation and Bylaws. The Owner of each Lot or Unit will be a member of a Village Association as well as a Member of this Master Association. The Village Associations will be subordinate to this Master Association and will be responsible for performing the services and obligations imposed on them by this Master Association pursuant to the governing documents.

2.2. Each Village Association shall exercise the voting rights herein established on behalf of all Members whose Units or Lots are within the jurisdiction of such Village Association. On all matters requiring the votes of Members as may be described in the Declaration, or in the Articles of Incorporation or Bylaws, such votes shall be conducted by the Village Associations. The result of the vote shall be reported to the Association by the Village Representative of the Village Association and the total number of votes of each class of membership attributed to the Village Association shall be cast

accordingly. Members shall not have the right to cast votes directly with the Association, and shall be bound by the outcome of the voting conducted by the Village Associations.

2.3. Members of the Association shall be allocated votes as follows:

Class A. Class A Members shall be all Owners with the exception of the Declarant and any Builders. Each Class "A" Member shall be entitled to one vote for each Lot or Unit owned.

Class B. The Class B Member shall be the Declarant, or its specifically designated (in writing) successor. The Class B Member shall be allocated three (3) votes for each Lot or Unit owned by it within the Property which is subject to assessment by this Association; provided, that the Class B membership shall cease and become converted to Class A membership as set forth in Section 4 of this Article 2. Upon conversion to Class A membership, the Declarant shall have one vote for each Unit or Lot owned by it within the Property so long as said Unit or Lot is subject to assessment by the Association.

Class C. All Builders, as defined herein, shall be Class C Members. Class C Members shall have one (1) vote for each Lot or Unit they own in the Property.

2.4. When any Unit or Lot is owned of record in the name of two or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants in partnership, or in any other manner of joint or common ownership, or if two or more persons or entities have the same fiduciary relationship respecting the same property, then unless the instrument or order appointing them or creating the tenancy otherwise directs and it or a copy thereof is filed with the secretary of the Village Association, such Owner shall select one official representative to qualify for voting in the Village Association and shall notify in writing the Secretary of the Village Association of the name of such individual. The vote allocated to any Unit or Lot (including Units or Lots owned by the Declarant or a Builder) may not be divided or cast in any fraction, and the vote of each official representative shall be considered to represent the will of all the Owners of that Lot or Unit. If the Owners fail to designate their official representative, then the Village Association may accept the person asserting the right to vote as the voting Owner until notified to the contrary by the other Owner(s). Upon such notification no affected Owner may vote until the Owner(s) appoint their official representative pursuant to this paragraph.

### *Section 3. Change of Membership.*

3.1. Change of membership in the Association shall be established by recording in the Public Records of Orange County, Florida, a deed or other instrument conveying record fee title to any Lot or Unit, and by the delivery to the Association, and

to the Village Association, of a copy of such recorded instrument. The Owner designated by such instrument shall, by acceptance of such instrument, become a Member of the Association and of the Village Association, and the membership of the prior Owner shall be terminated. In the event that a copy of said instrument is not delivered to the Association and to the Village Association, said Owner shall become a Member, but shall not be entitled to voting privileges until delivery of a copy of the conveyance instrument to the Association and the Village Association. The foregoing shall not, however, limit the Association's powers or privileges and the new Owner shall be liable for accrued and unpaid fees and assessments attributable to the Lot or Unit acquired.

3.2. The interest, if any, of a Member in the funds and assets of the Association shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to the Owner's real property. Membership in the Association by all Owners shall be compulsory and shall continue, as to each Owner, until such time as such Owner of record transfers or conveys his interest in the real property upon which his membership is based or until said interest is transferred or conveyed by operation of law, at which time the membership shall automatically be conferred upon the transferee. Membership shall be appurtenant to, run with, and shall not be separated from the real property interest upon which membership is based.

#### *Section 4. Class B Membership Status.*

4.1. The Declarant's Class B membership status shall continue, and shall be in effect, during the period from the inception of the Declaration until either (1) seven (7) years from the date the Declaration is recorded; or (2) five (5) years after the date of recording of the last Supplemental Declaration annexing additional property into the Association, whichever event, (1) or (2) occurs later; or (3) upon recording of a voluntary written notice executed by the Declarant or its duly authorized successor or assignee electing to convert its Class B status to Class A; or (4) in any event, one hundred twenty (120) days after the conveyance of the Unit to a Class A Member that causes the total number of votes held by all Class A Members of this Association to equal the number of votes in all Villages held by the Class B Member, whichever event, (1), (2), (3) or (4), occurs first; provided however, that if Class B status is converted to Class A pursuant to clause (4) and, subsequent to such event, the Declarant annexes an additional Village to the Association or annexes additional Lots to an existing Village which annexation causes the number of Lots or Units owned by the Declarant in all Villages to exceed twenty-five percent (25%) of the total number of Lots and Units within all Villages, Declarant's Class B status shall be restored as to all Lots and Units then owned by Declarant, and shall continue until the next occurrence of an event of conversion described above. For the purposes of these Articles of Incorporation, all Lots and Units owned by the Declarant within the Association Properties shall be included in the determination of Class B status

even if Declarant owns fewer than twenty-five percent (25%) of the Lots or Units within any particular Village as defined in the Declaration. The rights, privileges and obligations of Class B status shall prevail within all Village Associations, as defined in the Declaration, as long as Declarant shall be a Class B Member of this Association, even if Declarant owns only one Lot or Unit within such Village Association.

4.2. The Declarant shall have the right to partially assign its status as Declarant and Class B Member by recorded instrument executed by the original Declarant and acknowledged and accepted by the assignee Declarant to any person or entity acquiring any portion of the Property, or the adjacent land eligible for annexation into the Property, for the purpose of development of a residential subdivision consistent with the Master Plan, and any such assignee shall thereafter be deemed to be the Declarant as to the Lots or Units owned by such person or entity, and shall have the right to exercise all of the rights and powers of the Declarant as to such Lots and Units, while, at the same time, the original Declarant shall continue to exercise the rights and powers of the Declarant as to all Lots and Units owned by such original Declarant. If any action of the Association, or any Village Association requires the approval, consent or vote of the Declarant, and the original Declarant has partially assigned its rights as Declarant to others pursuant to this paragraph, the consent or vote of all such Declarants shall be required to satisfy the requirement of consent by the Declarant.

*Section 5. Majority of Quorum.* Unless otherwise expressly provided in these Bylaws or the Declaration any action which may be taken by the Association may be taken by a majority of a quorum of the Members of the Association as determined by attendance in person or by proxy at meetings conducted by the Village Associations pursuant to Subsection 2.2 of these Bylaws as required by this Master Association.

*Section 6. Quorum.* Each Village Association meeting required by the Master Association pursuant to Subsection 2.2 of these Bylaws shall require the presence, either in person or by proxy, of a quorum of the members of the Village Association. A quorum of the Members of this Master Association shall be achieved by determining the total attendance at the Village Association meetings conducted pursuant to Subsection 2.2 of these Bylaws as reported by the Voting Representative of the Village Association. If the Village Association has, or is planned to have, 250 Members or less - the quorum for any such meeting shall be no less than 20% of the total number of votes. If the Village Association has, or is planned to have, more than 250 Members but less than 1000 Members - the quorum for any such meeting shall be no less than 10% of the total number of votes. If the Village Association has, or is planned to have, more than 1000 Members - the quorum for any such meeting shall be no less than 5% of the total number of votes. If the Master Association has, or is planned to have, 250 Members or less - the quorum for any such meeting shall be no less than 20% of the total number of votes in all Villages based on the

total attendance in person or by proxy of Members attending the Village Association meetings. If the Master Association has, or is planned to have, more than 250 Members but less than 1000 Members - the quorum for any such meeting shall be no less than 10% of the total number of votes in all Villages based on the total attendance in person or by proxy of Members attending the Village Association meetings. If the Master Association has, or is planned to have, more than 1000 Members - the quorum for any such meeting shall be no less than 5% of the total number of votes in all Villages based on the total attendance in person or by proxy of Members attending the Village Association meetings. The foregoing requirements are minimum requirements, however, more stringent requirements imposed elsewhere in these Bylaws or in the Articles of Incorporation or in the Declaration, or pursuant to applicable laws or regulations shall supersede the requirements contained in this Section, and the Association shall be bound by such more restrictive requirements as if fully reproduced herein.

*Section 7. Proxies.* Votes may be cast in person or by proxy. Proxies must be in writing and filed with the Secretary of the Village Association at least twenty-four (24) hours before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease after completion of the meeting for which the proxy was filed, and upon conveyance by the Member of his Unit.

### ARTICLE III

#### ADMINISTRATION

*Section 1. Places of Meetings of Members.* Meetings of the Members shall be conducted by the Village Associations as set forth in Subsection 2.2 of these Bylaws, and shall be held within the Association Properties or such other suitable places as close thereto as practicable in Orange County, convenient to the Owners as may be designated by the Village Associations and approved by the Board of Directors. Notwithstanding the foregoing, the Master Association shall have the right to require the Village Associations to conduct joint simultaneous meetings, if, in the judgement of the Board, attendance at such meetings will not result in overcrowding of facilities or unreasonably prolong the meetings.

*Section 2. Annual Meetings.* The first annual meeting of the Members shall be held on the date at the places and at that the time, as determined by the Board of Directors, provided, however, that said meeting shall be held, to the extent possible, within one (1) year from the date of incorporation of the Association. Thereafter, the annual meeting of the Association shall be held on the anniversary date of the first annual meeting; provided, however, that should the anniversary date fall on a legal holiday, then such annual meeting of the Members shall be held on the next day thereafter which is not a legal holiday.

Subject to the provisions of Article IV, Section 1 herein, at each annual meeting there shall be elected by ballot of the Members, a Board of Directors, in accordance with the requirements of Section 5 of Article IV of these Bylaws. At the first annual meeting, the Directors shall be elected to serve until the second annual meeting, and at the second annual meeting, Directors shall be elected for a term of one (1) year beginning with the second annual meeting. Unless a Director resigns before the expiration of his term of office, each Director shall hold his office until his successor has been elected and the first meeting involving such successor is held. The term of office of any Director elected to fill a vacancy created by the resignation of his predecessor shall be the balance of the unserved term of his predecessor. The Members may also transact such other business of the Association as may properly come before them. Each First Mortgagee of a Unit may designate a representative to attend all annual meetings of the Members.

*Section 3. Special Meetings of Members.* Special meetings of the Members may be called at any time by the President or by a majority of a quorum of the Board of Directors, or upon a petition signed by Class A Members holding at least ten percent (10%) of the voting power of the Class A Members having been presented to the Secretary. Notice of any special meeting shall state the time and place of such meeting and the purpose thereof.

No business shall be transacted at a special meeting except as stated in the notice, unless by consent of those Members holding at least four-fifths (4/5) of the voting power of the Association, either in person or by proxy. Each First Mortgagee of a Unit may designate a representative to attend all special meetings of the Members.

*Section 4. Notice of Meetings of Members.* It shall be the duty of the Secretary to notify each Village Association of the time and date established by the Board for each Annual or Special Meeting, and it shall be the duty of each Village Association, at its expense, to mail a notice of each annual or special meeting of Members stating the purpose thereof as well as the day, hour, and place where it is to be held, to each Member of record of the Village Association and to each First Mortgagee of a Unit which has filed a written request for notice with the Secretary of the Village Association, at least fourteen (14) but not more than sixty (60) days prior to such meeting. The notice may set forth time limits for speakers and nominating procedures for the meeting. The mailing of a notice, postage prepaid, in the manner provided in this Section, shall be considered notice served, after said notice has been deposited in a regular depository of the United States mail. If no address has been furnished to the Secretary, notice shall be deemed to have been given to a Member if posted in a conspicuous place on the Common Property.

*Section 5. Adjourned Meetings.* If any proposed meeting cannot be organized because a quorum has not been attained as determined by the total attendance of Members in person or by proxy at all Village Association meetings conducted pursuant to Subsection

2.2 of Article 2 of these Bylaws, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. Proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.

*Section 6.
